

Differences Discussion Questions

Think about and discuss these questions with person you are watching with - if you like you can write down your answers.

Can you think of ways in which you are the same as other people? Can you think of ways that you are different to other people?

Is it a good thing to be different to other people? Why/why not?

What do you think it would be like if we were all exactly the same?

Can you think of ways that diversity (people's differences) makes the world a better place?
